

## SDG promises

God so loved the world that he came close to us in Jesus Christ. This (God's love) encourages us to join his mission and live in harmony with our brothers and sisters as a true, sincere, hospitable community where God can transform us into his image by his grace and through his salvation.

Do you join us in our mission? **Yes, I do.**

Jesus called us and taught us to live in God's love and in fellowship with others: „Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind; and, Love your neighbor as yourself.” (Luke10:27) Are you ready to give yourself fully to God and truly to love and serve him? **Yes, I am.**

As God's beloved child will you endeavour to discover, embrace and accomplish the life and talents he gave you to grow more and more in his grace and be the person God made you to be, whom he sees in you? **Yes, I will.**

Prayers and Bible study are essential part of our Christian life. Will you aspire to find and create time and opportunity to pray and study the Bible on your own and in community as well? **Yes, I will.**

Will you seek God's image in your fellow human beings, building and serving our community through forgiveness, encouragement, generosity, honesty and joy? **Yes, I will.**

We are responsible not only for our community members but also for the church, the whole society and the world He created. Are you ready to become an active member of all these greater communities? **Yes, I am**

**New member:** I will try my best to fulfil these promises with God's grace and your help.

**Community:** We, as your brothers and sisters in Christ, welcome you in our community and support you as we share this path.
